

Michigan Luxury Builder Achieves Highest Award For Excellence

Arteva Homes is the nation's only luxury custom home builder to be honored with three consecutive Star Diamond Awards from the American Academy of Hospitality Sciences (AAHS). The award is the most prestigious emblem of achievement and true quality in the world and recognizes the highest standards of excellence in luxury brands.

In 2014, the spectacular two-level penthouse pictured above was selected to demonstrate how Arteva Homes' vast construction expertise can make the most complex challenges...simple.
